

## **Preface**

The Twelfth Formation Evaluation Symposium of Japan was held at Technology Research Center, Japan Oil, Gas and Metals National Corporation, on October 4-5, 2006. 69 people came to the symposium from various industries, such as the oil, gas, and geothermal energy, geoenvironment industry and research institutes. Also, the best paper award from 2005 symposium was presented to Mr. Koji Yamamoto of JOGMEC and co-authors at the paper "Application of Wireline-Conveyed Through-Casing Formation Tester to Methane Hydrate Research in Japan"
